

## FREE PUBLIC DROP OFF AREA:

We accept the following items 24 hours/day, 7 days a week.

Sort your recyclables into these categories.

### Hard Plastics: with #1-7 recycling label

- ✓ clean items only. **Rinse all containers!**
- ✗ **NEW!** no wax cartons or tetra-paks
- ✗ no styrofoam
- ✗ no automotive fluid jugs
- ✗ no film, overwrap, pouches, stretchable plastics

**No plastic bags, bubblewrap or other flexible items**

They have to be removed by hand and if not, get caught in machinery. Recyclers have to landfill mixed plastic bales that contain these items.

### Textiles: If you can't reuse or re-purpose your clothes locally, bring them to Raven!

We collect clothing and other textiles for recycling in our **red Clothing Bank Donation Bins**. We sell them to a recycler in BC, who sorts through every item. Some materials are resold in North America, others are processed to make rags or upholstery filling, and some are shipped for sale overseas. *Half of the proceeds from this program are donated to the Whitehorse Firefighters Charitable Society.*

Put in a bag, then in our red bins.

**Clean** clothing sheets  
towels fabric

Wash 'em, bag 'em, and drop 'em off!

- ✓ stains & rips ok
- ✓ rags, towels & other non-clothing textiles ok
- ✗ no shoes, purses, backpacks, suitcases or belts

*Since 2017, we've diverted 365,000 pounds of textiles from Yukon landfills!*

### Collected inside the depot:

- aluminum foil / pie plates
- batteries
- egg cartons
- newspaper for firestarter

**Make sure your materials are rinsed, dry and sorted.**

Raven ReCentre is a not-for-profit social enterprise.

### Corrugated CARDBOARD

- ✓ please flatten boxes
- ✓ separate and remove all plastics
- ✗ no Styrofoam
- ✗ **NO BOXBOARD** or Brown Paper Bags
- ✗ no waxed cardboard (*this is compostable*)

### Mixed Paper: coloured paper, newsprint, boxboard, envelopes, magazines, etc.

- ✓ clean and dry paper only
- ✓ boxboard & brown paper bags
- ✓ **NEW!** non-refundable tetra-paks  
*Bring milk & juice containers to the depot for a refund*
- ✗ **NO Corrugated CARDBOARD**
- ✗ no plastic bags
- ✗ no wax paper (*this is compostable*)
- ✓ staples ok

### White Office Paper: white letter, computer or copy paper

### Tin cans

- ✓ clean items only
- ✓ labels ok  
*(or labels can be composted)*

The ever-changing global recycling market has to reject poorly sorted and dirty materials.

Rinsing containers before recycling, keeping paper clean and dry, and separating different materials (e.g. removing plastic packaging from cardboard boxes) goes a long way in helping Raven continue to recycle as much as possible.

### Raven's Reuseful

A not-for-profit second-hand store located in the Raven Refund Depot!

Clothes, linens, books, games and toys!

Wed. to Sat.  
1pm to 5pm

**Reduce! Reuse!**

## Bring your cans and bottles to us!

## Depot: Monday to Saturday 9 to 5

We use profits from our bottle depot to subsidize the processing and shipping of money-losing recyclables (tin, paper, plastic, etc.).

Please ensure all containers are empty and clean. We do the sorting for you!

Refunds are given for ALL READY TO SERVE LIQUID BEVERAGE CONTAINERS sold in the Yukon.

These include: aluminium cans, plastic beverage bottles, juice cartons and tetrapaks, milk and milk alternative containers, all plastic and glass liquor containers.

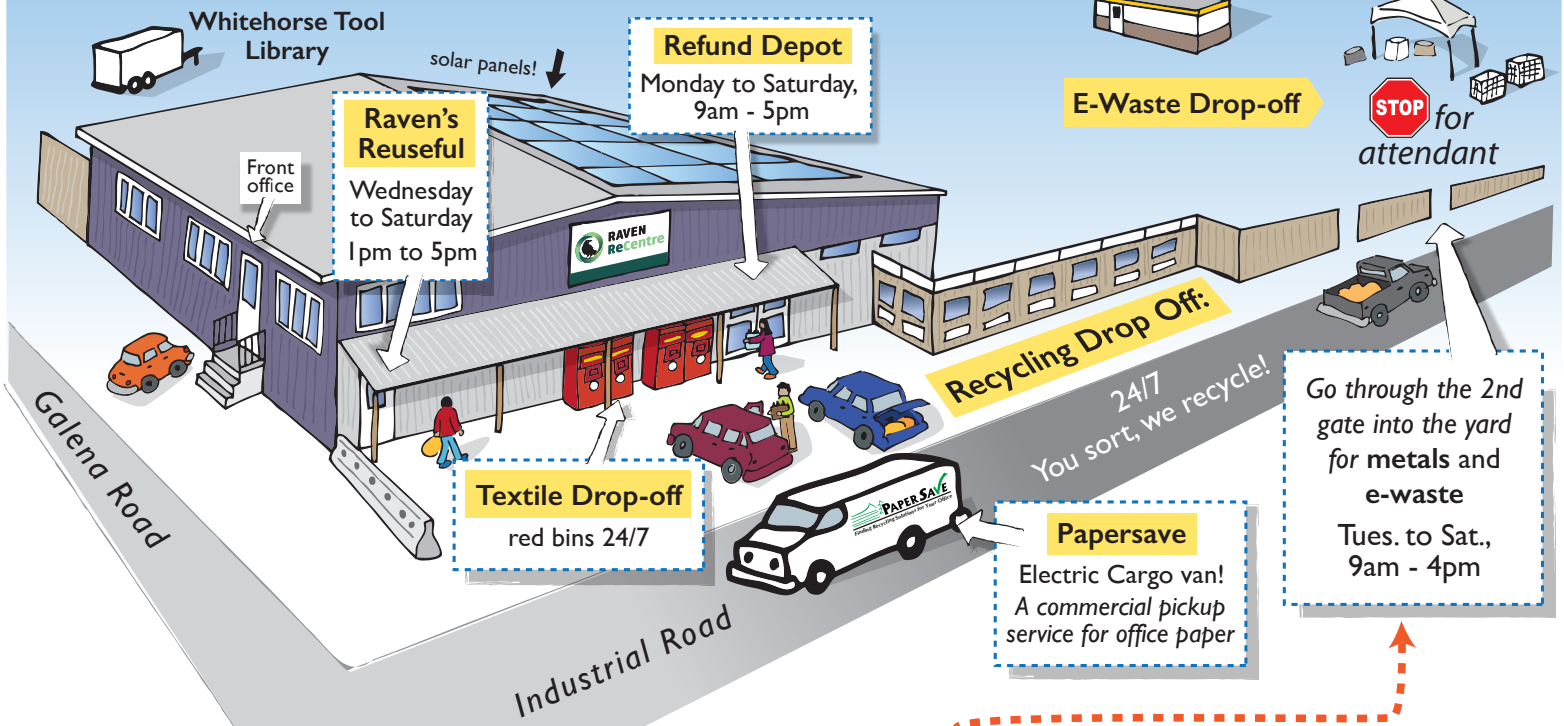

750ml and larger  
25¢ refund

less than 750ml  
5¢ refund

milk & milk substitutes  
(all sizes: 5¢ refund)

## We can pay you to let us recycle these items!

We purchase the following non-ferrous metals :

- Aluminum
- Brass
- Copper
- Stainless steel

THINK ABCS!

If a magnet won't stick to it, it's probably worth money and we will pay you for it!

More info at [ravenrecentre.org](http://ravenrecentre.org)

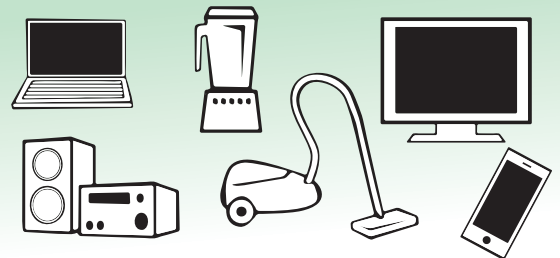

We also purchase other items:

- Lead-acid batteries
  - Christmas lights
  - Starters, converters & alternators
- And more!*

*Metal prices change throughout the year depending on market prices and are charged at the discretion of the attendant. Clean, separated metals will receive a better price per pound.*

## We recycle e-waste:

Drop off electronics **FREE OF CHARGE.**

### Why recycle e-waste?

Electronic waste can leak toxic chemicals into the environment. It also contains valuable material resources.
